

Final Programme

Sunday June 10th 2018

10:00 – 13:00	Workshops (1-6)
13:00 – 14:00	Sandwich and beverage
14:00 – 17:00	Workshops (7-14)
16:00 – 20:00	Registration
19:30	Get Together

Monday June 11th 2018

07:30 –	Registration
09:00 – 10:00 Plenary	<p>Welcome and opening session Awards; Young scientist & AOGS prizes Chairs: Karen Wøjdemann, NFOG President & Bjarne Rønde Kristensen, Congress President Location: Store Sal</p>
10:00 – 10:30	Coffee & exhibition
10:30 - 12:00 Parallel session 1	<p>1. Hysterectomy - new perspectives Chair: Axel Forman & Vibeke Lysdal Location: Store Sal</p> <ul style="list-style-type: none"> • Live surgery - hysterectomy <i>Presenters:</i> Martin Rudnicki & Torben Munk • Success factors for fast track surgery <i>Presenter:</i> Marit Lieng, Norway • Fast track surgery - the America perspective <i>Presenter:</i> Jon Einarsson, USA • Discussion in plenum <hr/> <p>2. Pregnancy as a window to future health Chair: Christina Vinter & Niels Ulbjerg Location: Konservatorialesalen</p> <ul style="list-style-type: none"> • Obstetrical syndromes and reflections on the impact on the future health of women and their children <i>Presenter:</i> David McIntyre, Australia • Preeclampsia and future cardiovascular risk <i>Presenter:</i> Ralf Dechend, Germany • Canadian experiences with maternal postpartum follow-up clinics after adverse pregnancy outcome <i>Presenter:</i> Graeme Smith, Canada <hr/> <p>3. Free communications Reproduction & Oncogynecology Chair: Antti Perheentupa & Pernille T. Jensen Location: Pro Musica salen</p> <p>10:30 - 10:40: O32 - Human Papillomavirus in the semen and genital tract of normal fertile men <i>Presenter:</i> Jens Fedder</p> <p>10:40 - 10:50: O31 - Flow cytometric software for determination of DNA fragmentation in sperm <i>Presenter:</i> Anne Sofie Rex</p>

Final Programme

Monday June 11th 2018

	<p>10:50 - 11:00: O34 - Risk of stillbirth in uncomplicated singleton term pregnancies following IVF/ISCI <i>Presenter: Bjørn Bay</i></p> <p>11:00 - 11:10: O33 - No relapse of breast cancer after IVF childbirth <i>Presenter: Emma Rosenberg</i></p> <p>11:10 - 11:20: O51 - Ovarian cancer characteristics and survival in a defined complete population <i>Presenter: Arna Rut Emilsdóttir</i></p> <p>11:20 - 11:30: O47 - Confounders other than comorbidity explain survival differences in Danish and Swedish ovarian cancer patients - A comparative cohort study <i>Presenter: Mette Calundann Noer</i></p> <p>11:30 - 11:40: O54 - Sentinel node mapping in women with endometrial cancer <i>Presenter: Sara Sponholtz</i></p> <p>11:40 - 11:50: O50 - Methylation can predict progression of cervical intraepithelial neoplasia grade 2 <i>Presenter: Karolina Louvanto</i></p> <p>11:50 - 12:00: O49 - HPV-test in triage of ASC-US / LSIL - The CIN3+ risk in 5-type HPV E6/E7 mRNA negative women <i>Presenter: Finn Egil Skjeldestad</i></p>
<p>12:00 – 13:00</p>	<p>Lunch & exhibition Lunch Symposia: <i>Location: Store Sal</i></p>
<p>13:00 – 14:30 Parallel session 2</p>	<p>1. Ovarian cancer - future perspectives. Surgery or chemotherapy? Chair: Jan Blaakær & Stinne Holm Bergholdt Location: Store Sal</p> <ul style="list-style-type: none"> • Combined surgical and medical treatment of ovarian cancer - Hypertherm IntraPERitoneal Chemotherapy (HIPEC) <i>Presenter: Willemien van Driel, Netherlands</i> • Laparoscopic treatment of recurrent ovarian cancer - Pressurized Intra Peritoneal Aerosol Chamotherapy (PIPAC) <i>Presenter: Michael Bau Mortensen, Denmark</i> • New Landmarks in the treatment of recurrent ovarian cancer. Niraparib and other PARP inhibitors <i>Presenter: Mansoor Mirza, Denmark</i> • Discussion in plenum <hr/> <p>2. Reproductive medicine - the oocyte Chair: Jens Fedder & Ulrik Schiøler Kesmodel Location: Pro Musica salen</p> <ul style="list-style-type: none"> • Oocyt donation - law in the nordic countries, practice and indications <i>Presenter: Ann Thurin Kjellberg, Sweden</i> • Oocyt donation - fertility tourism and ethical aspects <i>Presenter: Viveca Söderström-Anttila, Finland</i> • Cryo preservation of oocytes and ovarian tissue <i>Presenter: Erik Ernst, Denmark</i> <hr/> <p>3. Free communications Obstetrics & Global Health Chair: Lars. H. Pedersen & Mette H. Tanvig Location: Konservatoriesalen</p> <p>13:00 - 13:10: O1 - A qualitative study on the challenges of providing maternity care in Greek refugee camps <i>Presenter: Hannah Scott</i></p>

Final Programme

Monday June 11th 2018

	<p>13:10 - 13:20: O14 - Emotional violence during pregnancy and postpartum depression in Tanzania <i>Presenter: Jane J. Rogathi</i></p> <p>13:20 - 13:30: O4 - Intimate Partner Violence among Pregnant Women and Exclusive Breastfeeding <i>Presenter: Frederikke Kjerulff Madsen</i></p> <p>13:30 - 13:40: O22 - Sleeping problems in pregnancy <i>Presenter: Linda Aukia</i></p> <p>13:40 - 13:50: O2 - Guidelines' effect on managing hypertensive disorders at Zanzibar's main hospital <i>Presenter: Nanna Maaløe</i></p> <p>13:50 - 14:00: O18 - Maternal deaths from hypertensive disorders: lessons learnt <i>Presenter: Lill Trine Nyfløt</i></p> <p>14:00 - 14:10: O8 - Causes of stillbirth by gestational age: added value of postmortem examination <i>Presenter: Maria Pekkola</i></p> <p>14:10 - 14:20: O3 - Influence of postpartum depression on child growth: A cohort study. <i>Presenter: Christina Elise Holm-Larsen</i></p> <p>14:20 - 14:30: O10 - Childbirth in Swedish women with vaginismus or localised provoked vulvodynia <i>Presenter: Louise Möller</i></p>
<p>14:30 - 15:30</p>	<p>Coffee & exhibition</p>
<p>15:30 - 17:00 Parallel session 3</p>	<p>1. Vulva; perception and female genital cutting Chair: Pernille Ravn & Kamilla Kannegård Location: Pro Musica salen</p> <ul style="list-style-type: none"> • Selfperception of the vulva <i>Presenter: Annemette Lykkebo, Denmark</i> • Cutting of the labia - pro and con <i>Presenter: Christina Damsted, Denmark</i> • Effects of female genital cutting on physical health outcomes and how to prevent it <i>Presenter: Rigmor C. Berg, Norway</i> • Discussion in plenum <hr/> <p>2. How do modulators and regulators of pregnancy determine infant health? Chair: Jan Stener Jørgensen & Niels Ulbjerg Location: Store Sal</p> <ul style="list-style-type: none"> • Preterm delivery - genes and mechanisms <i>Presenter: Bo Jacobsson, Sweden</i> • To seed or not to seed – what is the evidence for vaginal seeding? <i>Presenter: Tine D. Clausen, Denmark</i> • Maternal exposure to endocrine disrupting chemicals and health in the offspring <i>Presenter: Tina Kold Jensen, Denmark</i> <hr/> <p>3. Free communications General gynecology & Global Health Chair: Marit Lieng & Vibeke Rasch Location: Konservatorialesalen</p> <p>15:30 - 15:40: O5 - Mapping the lack of public initiative against female genital mutilation in Denmark <i>Presenter: Vibeke Næser</i></p> <p>15:40 - 15:50: O7 - Pelvic organ prolapse in Tanzania – prevalence and risk factors <i>Presenter: Gileard Masenga</i></p>

Final Programme

Monday June 11th 2018

	<p>15:50 - 16:00: O6 - Mobile intervention to increase cervical screening attendance among Tanzanian women <i>Presenter:</i> Ditte Søndergaard Linde</p> <p>16:00 - 16:10: O48 - High-grade lesions in relation to reproductive characteristics and HIV status <i>Presenter:</i> Patricia Swai</p> <p>16:10 - 16:20: O52 - Performance of VIA, HC2 and CareHPV in detection of cervical pre cancerous lesions <i>Presenter:</i> Ditte Søndergaard Linde</p> <p>16:20 - 16:30: O53 - Risk for CIN3+ in women with a negative cervical biopsy <i>Presenter:</i> Finn Egil Skjeldestad</p> <p>16:30 - 16:40: O36 - Iatrogenic gynecologic fistula; results from a Norwegian national competence center <i>Presenter:</i> Jone Trovik</p> <p>16:40 - 16:50: O46 - Pelvic floor muscle training and intravaginal electrical stimulation in women with spinal cord injury: A randomized clinical trial study <i>Presenter:</i> Marlene Elmelund</p> <p>16:50 - 17:00: O40 - No association between native tissue vaginal vault suspension and risk of pelvic pain or sexual dysfunction. <i>Presenter:</i> Lisbeth Bonde</p>
17:00 – 18:00	<p>Poster Session 1</p> <p>Chair: Marit Lieng, Ulrik Schiøler Kesmodel, Martin Rudnicki, & Lene Sperling</p> <p>Location: Poster area and main entrance of Odeon</p>

Final Programme

Tuesday June 12th 2018

06:30 – 07:00	NFOG “Run for womens global health and rights”
08:30 - 09:00 Plenary	<p>The microbiome and women's reproductive health Chair: Jan Stener Jørgensen & Ronald Francis Lamont Location: Store Sal</p> <p><i>Presenter: Lars Engstrand, Sweden</i></p>
09.00-09:45 Plenary	<p>Meet the editors – discussion in plenum Chair: Ulrik Schiøler Kesmodel Location: Store sal</p> <p>Debaters: Ganesh Archarya / Anja Pinborg / Sandy Goldbeck-Wood</p>
09:45 - 10:30	Coffee & exhibition
10:30 - 12:00 Parallel session 4	<p>1. Contraception/HRT update Chair: Kresten Rubeck Petersen & Oskari Heikinheimo Location: Store Sal</p> <ul style="list-style-type: none"> • Perimenopausal hormone replacement therapy – the present and the future <i>Presenter: Ellen Løkkegård, Denmark</i> • Future directions for optimal contraception in all ages <i>Presenter: Ingela Lindh, Sweden</i> • Sexual transmitted infections (STIs) –in OB/GYN – whats´ s new? <i>Presenter: Jørgen Skov Jensen, Denmark</i> <p>2. Delivery and pelvic floor disorders Chair: Ulla Darling Hansen Location: Meeting Room 107, 1st floor</p> <ul style="list-style-type: none"> • Can we predict and prevent delivery-related pelvic floor disorders <i>Presenter: Ian Milsom, Sweden</i> • Pelvic floor disorders and mode of delivery <i>Presenter: Åsa Leijonhufvud, Sweden</i> • Long-term effects of vacuum extraction on pelvic floor function <i>Presenter: Maria Gyhagen, Sweden</i> <p>3. Women´ s health in a global perspective Chair: Vibeke Rasch & Garnesh Acharya Location: Pro Musica salen</p> <ul style="list-style-type: none"> • The widening inequity gap in women´s health <i>Presenter: Albrecht Jahn, Germany</i> • Precision Medicine Applied to Women´s Health in a Global Perceptive <i>Presenter: Chiara Benedetto, Italy</i> • Empowerment of women by Community-Based Health Education - cervical cancer prevention in Nepal <i>Presenter: Sunila Shakya, Nepal</i> • Gender inequality and intimate partner violence among pregnant women in Tanzania <i>Presenter: Geoffrey Shigalla, Tanzania</i>

Final Programme

Tuesday June 12th 2018

	<p>4. Free communications Obstetrics & Fetal Medicine Chair: Lene Sperling & Hulda Hjartadóttir Location: Konservatoriesalen</p> <p>10:30 - 10:40: O28 - Pregnancy and early childhood outcomes of euploid pregnancies with a high risk in the first-trimester combined screening <i>Presenter: Outi Äyräs</i></p> <p>10:40 - 10:50: O30 - Validation of the SNP-Based NIPT in Twin Gestations for Zygosity-, Individual-Fetal-Gender-, and Aneuploidy-Determination <i>Presenter: Samantha Leonard</i></p> <p>10:50 - 11:00: O26 - Management of suspected primary toxoplasma infection in pregnant women: twenty years of experience of amniocentesis in a low-prevalence population <i>Presenter: Gry Findal</i></p> <p>11:00 - 11:10: O13 - Effect of maternal hypothyroidism and levothyroxine use during pregnancy on pregnancy and perinatal outcome <i>Presenter: Suvi Turunen</i></p> <p>11:10 - 11:20: O15 - Fetal cardiac dysfunction at term gestation in type 1 diabetic pregnancies. <i>Presenter: Lara Lehtoranta</i></p> <p>11:20 - 11:30: O19 - Metformin treatment of pregnant women with polycystic ovary syndrome - a Nordic RCT <i>Presenter: Tone Løvvik</i></p> <p>11:30 - 11:40: O17 - Maternal allergy as an isolated risk factor for early-onset preeclampsia <i>Presenter: Anne Kvie Sande</i></p> <p>11:40 - 11:50: O27 - Outcome in monoamniotic twin pregnancies managed primarily by outpatient care <i>Presenter: Caroline Madsen</i></p> <p>11:50 - 12:00: O29 - Umbilical vein volume blood flow and uterine artery Doppler indices. <i>Presenter: Amarnath Bhide</i></p>
<p>12:00 - 13:00</p>	<p>Lunch & exhibition Lunch Symposia I: <i>Location: Store Sal</i> Lunch Symposia II: <i>Location: Pro Musica salen</i></p>
<p>13:00 - 14:00</p> <p>14:00 - 15:30 Parallel session 5</p>	<p>Poster Session 2 Chair: Marit Lieng, Ulrik Schiøler Kesmodel, Mette H. Tanvig & Jan Blaakær Location: Poster area and main entrance of Odeon</p> <p>1. Presidents session: <i>Chair: Bjarne Rønde Kristensen, Karen Wøjdemann & Negin Jaafar</i> <i>Location: Store Sal</i></p> <p>”Women's rights to exist, to choose and to decide” <i>Presenter: Sara Omar, Author- human and women rights fighter, Denmark/Kurdistan</i></p> <p>To be announced <i>Presenter: To be announced</i></p>

Final Programme

Tuesday June 12th 2018

2. Fetal medicine now and in the future

Chair: Lene Sperling & Andreas Herbst
Location: Pro Musica salen

- The first and second trimester screening in a Nordic perspective. Where are we now?
Presenter: Torbjørn Eggebø, Norway
- The genetic perspectives and challenges in relation to Fetal Medicine
Presenter: Ida Vogel, Denmark
- How should we act when we determine brain sparing in the third trimester?
Presenter: Basky Thilaganathan, United Kingdom
- Discussion in plenum

3. Free communications General gynecology

Chair: Annika Strandell & Martin Rudnicki
Location: Konservatoriesalen

- 14:00 - 14:10: O35 - Fertility outcome after cornual resection for interstitial pregnancies
Presenter: Rune Svenningsen
- 14:10 - 14:20: O41 - Physical Activity after Outpatient Total Laparoscopic Hysterectomy: Results from a RCT.
Presenter: Ulla Juul Christiansen
- 14:20 - 14:30: O37 - Investigating the loss of work productivity due to symptomatic leiomyoma
Presenter: Helena Kopp Kallner
- 14:30 - 14:40: O40 - Treatment of abnormal uterine bleeding by endometrial ablation: comparison of treatment in two periods
Presenter: Knut Hordnes
- 14:40 - 14:50: O38 - Lichen sclerosus and risk of cancer
Presenter: Pia Halonen
- 14:50 - 15:00: O44 - The risk of breast cancer in women with endometriosis
Presenter: Liisu Saavalainen
- 15:00 - 15:10: O43 - Reduction in teenage pregnancies – a cross-sectional multinational study
Presenter: Ingela Lindh
- 15:10 - 15:20: O45 - The risk of psychiatric morbidity after teenage childbirth and induced abortion
Presenter: Eerika Jalanko
- 15:20 - 15:30: O42 - Prescription patterns of COCs - do gynecologists comply with guidelines?
Presenter: Finn Egil Skjeldestad

15:30 - 16:00

Coffee & exhibition

Final Programme

Tuesday June 12th 2018

16:00 - 17:30
Parallel session 6

1. Medical education

Chair: Jette Led Sørensen & Lise Brogaard
Location: Pro Musica salen

- Introduction and trends in medical education
Presenter: Jette Led Sørensen, Denmark
- Obstetric simulation
Presenter: Tim Draycott, United Kingdom
- Inter professional simulation in obstetrics
Presenter: Signe Egenberg, Norway
- Assessment of skills in surgery
Presenter: Jeanett Strandbygaard, Denmark
- Simulation-based education in ultrasound
Presenter: Martin Tolsgaard, Denmark
- Discussion in plenum

2. Minimal invasive surgery (NSGE session) When love hurts

Chair: Martin Rudnicki
Location: Store Sal

- New perspectives on endometriosis: Causes of pain and infertility
Presenter: Robert Taylor, USA
- Minimally-disruptive, stepwise management of symptomatic endometriosis
Presenter: Paolo Vercellini, Italy
- Current management of infertility due to endometriosis
Presenter: Nan Oldereid, Norway
- Adverse outcome of pregnancy due to endometriosis
Presenter: Päivi Härkki, Finland

3. Spontaneous preterm birth (SPBC session)

Chair: Jan Stener Jørgensen & Nils-Halvdan Morken
Location: Konservatoriesalen

- Spontaneous preterm birth - an update
Presenter: Ronald Francis Lamont, United Kingdom
- Progesterone - pro et con
Presenters: Zarko Alfirevic, United Kingdom / Andrew Shennan, United Kingdom
- Cortocosteroids - pro et con
Presenters: Hanns Helmer, Austria / Sarah Stock, Scotland

16:00 – 17:30

NFOG general assembly

Location: The Meeting Room 107, 1st floor

18:45

Congress dinner

Final Programme

Wednesday June 13th 2018

<p>08:30 - 09:00 Plenary:</p>	<p>HPV vaccination - The Danish experience Chair: Jan Blaakær Location: Store Sal</p> <p><i>Presenter: Søren Brostrøm, Denmark</i></p>
<p>09:00 - 09:30 Plenary:</p>	<p>Management of early onset IUGR Chair: Jan Stener Jørgensen Location: Store Sal</p> <p><i>Presenter: Zarco Alfirevic, United Kingdom</i></p>
<p>09:30 – 10:00</p>	<p>Coffee & exhibition</p>
<p>10:00 - 11:30 Parallel session 7</p>	<p>1. Reproductive medicine - andrology Chair: Jens Fedder & Antti Perheentupa Location: Pro Musica salen</p> <ul style="list-style-type: none"> • Semen quality and future health risks <i>Presenter: Anders Juul, Denmark</i> • Obesity, sperm fatty acids and semen quality <i>Presenter: Trine Haugen, Norway</i> • Treatment of men with non-obstructive azoospermi – new breakthroughs in an ethical perspective <i>Presenter: Jens Fedder, Denmark</i> <hr/> <p>2. Obesity - NOCOGO session Chair: Christina Vinter & Dorte Møller Jensen Location: Store Sal</p> <ul style="list-style-type: none"> • Management of overweight and obesity in PCOS <i>Presenter: Eszter Vanky, Norway</i> • Obesity epidemic - perspectives from India <i>Presenter: Ranjan Yajnik, India</i> • Obesity and fertility <i>Presenter: Katrine Birch Petersen, Denmark</i> • Discussion in plenum <hr/> <p>3. Free communications Obstetrics Chair: Hulda Hjártadóttir & Peter Damm Location: Konservatoriesalen</p> <p>10:00 - 10:10: O9 - Changes in labor outcome after implementing judicious use of oxytocin <i>Presenter: Frida E. Austad</i></p> <p>10:10 - 10:20: O11 - Discontinuation of intravenous oxytocin in the active phase of induced labour: Cochrane review <i>Presenter: Sidsel Boie</i></p> <p>10:20 - 10:30: O48 - Fetal rotation during vacuum extractions; a prospective cohort study <i>Presenter: Birgitte Heiberg Kahrs</i></p> <p>10:30 - 10:40: O16 - Lateral episiotomy in vacuum-assisted delivery (EVA) - a randomized trial <i>Presenter: Sophia Brismar Wendel</i></p> <p>10:40 - 10:50: O23 - Sonographic prediction of outcome of vacuum deliveries: a prospective, multicenter cohort study <i>Presenter: Birgitte Heiberg Kahrs</i></p> <p>10:50 - 11:00: O21 - Risk factors for obstetric anal sphincter injury at first and second delivery</p>

Final Programme

Wednesday June 13th 2018

	<p><i>Presenter:</i> Ida Nilsson</p> <p>11:00 - 11:10: O52 - Severe fatigue after postpartum haemorrhage treated with intravenous iron <i>Presenter:</i> Charlotte Holm</p> <p>11:10 - 11:20: O24 - Team up to save lives: video analysis of teams' management of postpartum hemorrhage. <i>Presenter:</i> Lise Brogaard</p> <p>11:20 - 11:30: O25 - Weight loss reduces recurrence of gestational diabetes mellitus <i>Presenter:</i> Linn Marie Sorbye</p>
11:30 - 12:15	Lunch & exhibition
12:15 - 13:45 Parallel session 8	<p>1. Abortion: Law, access and prevention Chair: Pernille Ravn Location: Konservatoriesalen</p> <ul style="list-style-type: none">• Global abortion laws and access to safe abortion <i>Presenter:</i> Vibeke Rasch, Denmark• Improving access to safe abortion - 25 years of mifepristone <i>Presenter:</i> Kristina Gemzell-Danielsson, Sweden• 2nd trimester abortion in Scandinavia: laws, practice and unmet need <i>Presenter:</i> Øjvind Lidegaard, Denmark• Preventing subsequent abortion <i>Presenter:</i> Oskari Heikinheimo, Finland <p>2. Preeclampsia Chair: Ralf Dechend, Britta Frederiksen-Møller & Andreas Herbst Location: Pro Musica salen</p> <ul style="list-style-type: none">• Preeclampsia: a placenta disorder? <i>Presenter:</i> Chris Redman, United Kingdom• Preeclampsia: a cardiac disorder? <i>Presenter:</i> Basky Thilangatam, United Kingdom• Discussion in plenum• Pre-eclampsia biomarkers: more than you think <i>Presenter:</i> Anne Cathrine Staff, Norway• Discussion in plenum <p>3. NFOG Thesis session Chair: Annika Strandell, Antti Perheetupa, Hulda Hjartadóttir, Marit Lieng & Lars H. Pedersen Location: Store Sal</p> <ul style="list-style-type: none">• Antenatal lifestyle intervention for limitation of gestational weight gain – the Norwegian fit for delivery trial <i>Presenter:</i> Linda Reme Sagedal, Norway• Recurrent Pregnancy Loss – a family affair Studies of genetics, epidemiology and evolution <i>Presenter:</i> Astrid Marie Kolte, Denmark• Planned home births in Iceland: Premise, outcome and influential factors. <i>Presenter:</i> Berglind Hálfhánsdóttir, Iceland• Fetal heart and hemodynamics in diabetic pregnancy - Fetal cardiac and placental function in a rat model of maternal hyperglycemia and human type 1 diabetic pregnancies. <i>Presenter:</i> Lara Lehtoranta, Finland

Final Programme

Wednesday June 13th 2018

	<ul style="list-style-type: none">• Cardiac disease in pregnancy and consequences for reproductive outcomes, comorbidity and survival <i>Presenter: Kristina Kernell, Sweden</i>
13:45 – 14:00	Coffee & exhibition
14:00 - 15:00 Plenary:	Hot topics Location: Store Sal Chair: Ulrik Schiøler Kesmodel & Jan Stener Jørgensen <ul style="list-style-type: none">• A day without randomisation is a day without progress <i>Presenter: Ben Mol, Australia</i> Chair: Pernille Ravn <ul style="list-style-type: none">• The utility of genetic testing - now and in the future <i>Presenter: Henriette Roed Nielsen, Denmark</i>
15:00 - 15:30 Plenary:	Prizes and closing Location: Store Sal Chair: Bjarne Rønde Kristensen
